

# Epic Notion | WordPress Frontend Developer

---

Epic Notion is a full-service digital marketing agency. We blend strategic thinking with creativity and the latest technology to help clients build their brands through meaningful customer engagement. Our team of talented marketers, designers and developers are passionate about building brands and connecting people.

We're looking for a methodical Front-End Developer with a deep knowledge of WordPress to join our team. They will be responsible for custom theme, landing page & plugin development, and work closely alongside our SEO and CRO teams to implement improvements to our clients' websites.

## Responsibilities:

- Develop custom WordPress themes based on detailed handoff files from a UI Designer
- Develop lead generation landing pages alongside UI Designer
- Update existing websites with new pages, templates and components
- Help troubleshoot and resolve various WordPress technical issues as required
- Collaborate closely with our CRO and SEO teams to implement growth strategies

## Requirements:

- 2+ years professional experience in similar role
- Expert knowledge of HTML5, JavaScript, PHP and SCSS/SASS
- Ability to recreate detailed UI renders with precision as bespoke, mobile-first WordPress themes utilizing custom templates and post types (often backed by ACF or customized layout builders)
- An intimate understanding of the WordPress ecosystem, from installation and administration to platform-specific troubleshooting
- Experience working within local development environments (Local, MAMP/WAMP, etc.)
- Proficiency with Git version control tooling (although not necessarily via the command line)
- A problem-solving mentality with the capacity to test your own assumptions and ask effective questions
- Strong communication skills and keen attention to detail are extremely important

## Beneficial Skills (Not Required):

- Shopify/Liquid development experience
- Experience working with third-party APIs
- Modern email template development
- UI design experience
- Experience with domain/DNS management

## Our Offering:

- Hybrid work schedule with both remote and in-person days.
- Full suite of health benefits including medical, dental, vision, disability, life insurance and more
- Company matched 401(k)
- Annual profit sharing bonus program
- Paid vacation, Holidays and personal/sick days
- Continuing education and skills training opportunities
- A great team that values talent, integrity, hard work and family
- Collaborative, creative office environment in desirable Southend in Charlotte, NC

## How to Apply:

Please send introductory email and resume via attachment to [careers@epicnotion.com](mailto:careers@epicnotion.com), or apply via our official LinkedIn job post titled [WordPress Frontend Developer](#).
